

Join us for Summer School and explore: A LIFE OF GENEROUS GIVING

Yerrinbool Bahá'í Centre of Learning

23rd - 26th January 2020

It is the culmination of a wonderful period of summer activity and learning. What a great opportunity to learn, reflect, and plan how your 2020 will be a Life of Generous Giving, the theme chosen by the National Spiritual Assembly.

We are so pleased and excited to announce that Dr Javaheri, former member of the Universal House of Justice, and his wife, Mrs Javaheri, will be joining our Summer School. Dr Javaheri will be leading a number of sessions and workshops, with a focus on the theme of Family and Service.

Other themes you will have the opportunity to explore include:

- A life of generous giving: what does that mean to you?
- Exploring social action foundations and applications
- Coherent life of service: integrating service into all dimensions of life
- Heroines and heroes bringing Baha'u'llah's vision to life
- The spirit and practice of pioneering

The program we are creating for you is interactive, fun, creative, and rejuvenating. It is full of opportunities to connect more deeply with Baha'u'llah's Cause and each other, through workshops, storytelling, art making, craft and nature.

Sessions, workshops and recreational activities are being planned so everyone can dive in, whether you are a youth, junior youth, child, family, adult, or young professional.
